

Andhra Loyola Institute of Engineering & Technology

Alumni Association (ALIETAA)

Every alumni event is much more than just a friendly meet. It has the potential to bring in great rewards for the institution. **Andhra Loyola Institute of Engineering and Technology Alumni Association -ALIETAA (Rgtd No.297 of 2019)** is a registered association which provides a platform for the alumni, to share their academic and professional experiences, exchange their views on recent developments in science and technology, develop new ideas together and expand their networks of relationships.

1. **Aims and Objectives: *Solidarity and Service***

The aims and objectives have been derived for the Old students Association of ALIET, Vijayawada which effectively started functioning from 2016.

❖ **Unity:**

- a. Between the former students and their alma mater.
- b. Among the former students themselves.
- c. Between the former students and the present students.
- d. Between the former students and the society in which they live.

❖ **Integrity:**

The Objective of ALIETAA is to form '*Men and Women for Others*' i.e., persons who live not for themselves alone but for others also especially those who are in need. This calls for three vital aspects:

- a. A basic attitude of respect for all men and women, which forbids us to use others as instruments for our own profit.
- b. A firm determination is drawn to profit whatever from clearly unjust sources or through unfair means.
- c. To work with others towards the dismantling of unjust social structures so that the weak, the oppressed, and the marginalized in the world may be set free.

Therefore, we Endeavour:

1. To bring all the former students of Andhra Loyola institute of Engineering And Technology(ALIET), Vijayawada under one forum for exchange of experience, dissemination of knowledge and talents among its members, furtherance of fellowship, and advancement of scientific knowledge in general of the members of the ALIETAA and our Country.
2. To conduct seminars, conferences, workshops, endowment lectures, and other academic activities and also to keep in touch with one another of the ALIET faculty, non-teaching staff, and students.
3. To create and establish Alumni Endowments for granting scholarships, prizes, and medals to students showing high proficiency in their studies and honour former students of ALIET.
4. To advise and interact with State and Central Government Bodies, Universities, and other academic institutions on matters relating to promotion of higher education, training and management systems and there by promote the welfare and status of ALIET.
5. Collect funds by subscriptions, contributions, donations, and gifts from members, non-members, governments, universities, other institutions and philanthropists for furtherance of the above-mentioned objectives.
6. To render financial aid to deserving alumni in cases of extreme compassion at circumstances.
7. To bring out magazines, souvenirs, and newsletters highlighting the activities of the Alumni.
8. To organize cultural and educational programmers and to conduct Alumni Day Celebrations every year.
9. To help the Alumni to get advice from ALIET on various technical problems and job opportunities that they may come across in their work and real life.
10. To establish and run institutions to impart training for professional and vocational excellence.
11. To undertake projects aiming at uplifting the social conditions of the disadvantaged and under-privileged sections of the society. These include result-oriented projects in the areas of education, medical aid etc.
12. To provide, promote, and support educational, cultural, social, literary, medical, and such other extra-curricular facilities to those connected to ALIET and its students.
13. To provide for the promotion of literature, science, fine arts, or for the diffusion of useful knowledge,
14. To conduct and encourage game and sports to those connected to ALIET and its Students.

**A REPORT ON ALUMNI MEETINGS*****The Home Coming!***

A coming back to a place that formed the trajectory of one's own life is an invaluable and inexplicable experience. Nostalgia filled the ambience of ALIET, as the Alumni entered their AlmaMater brimming with feelings of joy and ecstasy. Different Departments of ALIET organized Alumni Meets on the Campus. The events were exciting, pleasant and profitable. As the Alumni shared ideate, good number of new ideas, information and insights came up. The Meets saw the graduates trace their memory lines by taking a stroll around the campus. Many of them found time to revisit the popular landmarks and cherish the memories. The campus witnessed the smiles, hugs and togetherness which shows that Alumni meet is not just an assemblage of old students, but a remarkable reunion of people from different walks of life to hark back the grand moments that they spent with their friends in the yester years and inspired each other for life.

**DEPARTMENT OF MECHANICAL ENGINEERING ALUMNI MEET 2021****Title:** Alumni Meet “ SMMILITA-2021”**Date(s):**30-10-2021**Resource Person:** Organized by Dept. of MECH Faculty and students.**Virtual Mode:** Microsoft Teams Platform

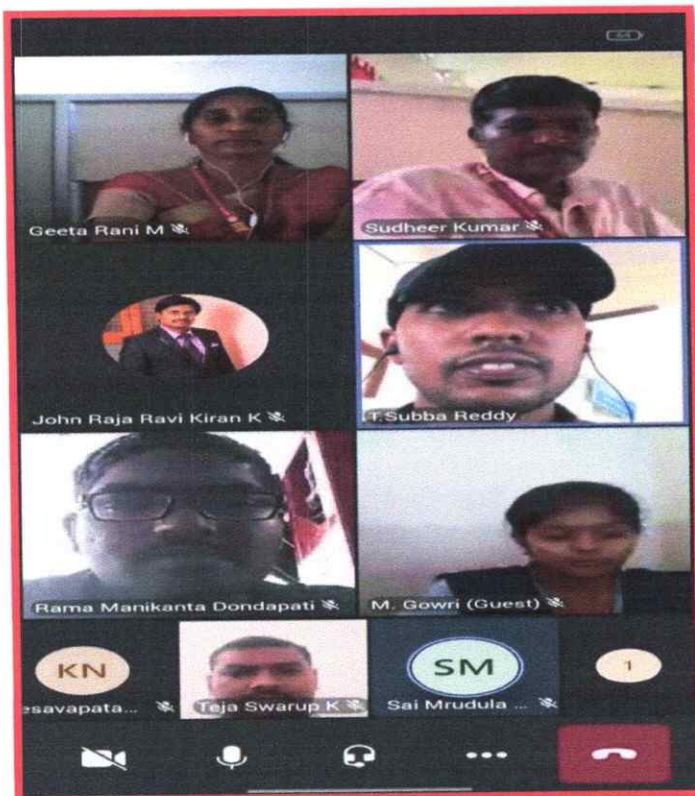

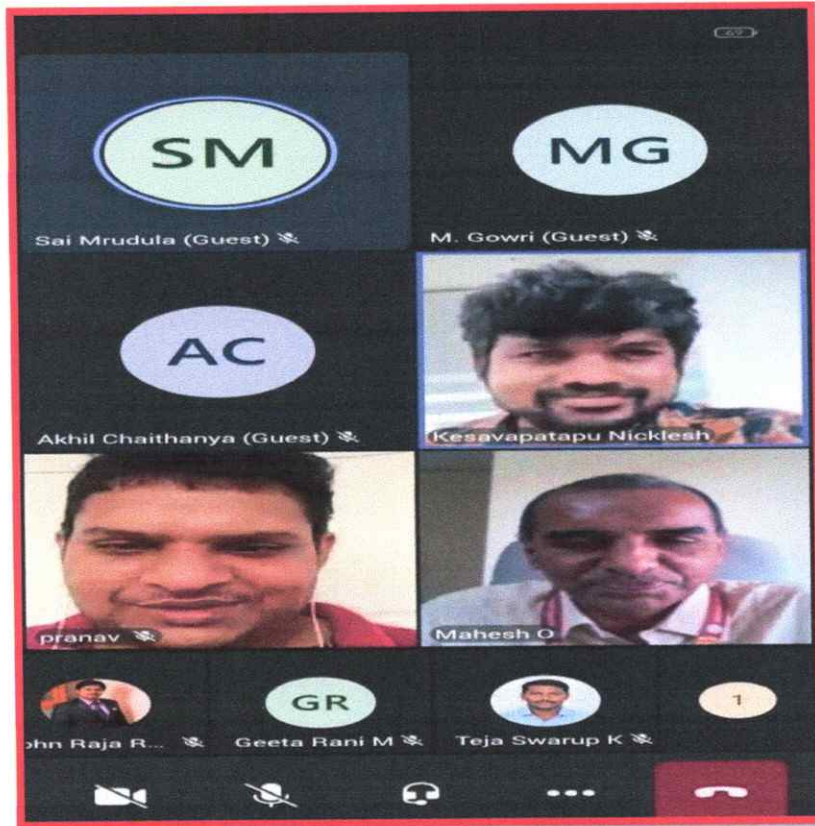

Department of MECH, Andhra Loyola Institute of Engineering and Technology organized Alumni Meet on 30th October 2021 on virtual platform using Microsoft Teams. It was attended by 52 alumni of MECH department across the many academic batches since from its inception in the year 2010. The meeting started off at the scheduled time at 1:00pm with a prayer song and then with the welcome address by Rev. Fr. Dr. A. Francis Xavier S.J, Director of ALIET. He was delighted to be connected with the participants and he conveyed his regards on the occasion. Principal Dr. O Mahesh has shared his thoughts on the role of alumni in strengthening the college and also, they suggested some activities to upscale the Alumni Association in the times to come. Dr. M. Geeta Rani, HOD addressed the gathering and also encouraged alumni to take active part in students interaction session. Remaining faculty of MECH department also conveyed their greetings to the participants. During the program videos on college and alumni memories in college were played. After that some of the participants have shared their views on college and recollected their memories cherished in the campus. In the interaction session between students and alumni, students posed some questions and elicited answers from them. The entire program was anchored by Ms. M. Gowri of IV MECH. M. Sai Archana of IV MECH proposed vote of thanks. And the program was ended with National Anthem. The event was a huge success in achieving its aim of exposing the students the rich alumni base of the college

ALUMNI MEET-2021

Title: Alumni Meet-2021

Date(s): 13-11-2021

Resource Person: Organized by Dept. of Civil Faculty.

Mode: Online (Microsoft Teams) & Offline (North Seminar Hall)

Participant's: Alumni of Civil Department.

Description about the Program:

Department of Civil Engineering, ALIET organized the Alumni Meet- 2021 on 13th Nov, 2021 online mode in Microsoft Teams and offline mode in the North Seminar Hall. The objective of the meet is to reconnect with Alumni and celebrate their success and various achievements and sharing the experience. The Alumni Meet started with an invocation song seeking the blessings of almighty god. Later Mr. Ch. Nagaraju, Associate Professor & Head of the Civil Engineering Department addressed the gathering with his welcome note. Dr. P. Venkata Narasaiah, Dean, Consultancy delivered his valuable message to the Alumni. A few Alumni shared their feelings and interacted with each other by their experiences. During the program few video clips were played which was the collection of Alumni old memories in the campus. They felt delighted by watching those videos. The entire program went on a grand way which left a memorable experience for everyone who was presented on that day.
