

**ANDHRA LOYOLA INSTITUTE OF ENGINEERING AND TECHNOLOGY
VIJAYAWADA – 520 008**

2.1.1. Average percentage of students from other States and Countries during the last five years

As per government orders **candidates belonging to Andhra Pradesh are only eligible for taking admission in the government quota.** Therefore, the institution can admit the students from other states in the 30% of management seats. Hence the calculation by NAAC on the basis of 100% admitted candidates cannot reflect accuracy since in Andhrapradesh in Engineering colleges it is done only for 30% of Management seats. So the admission of other states should be calculated based on 30% of sanctioned intake.
