We are glad to inform you that "Mudigonda Teja Sri" has pursued a 6 weeks Remote internship on "Python Programming", for a period from 25-Aug-20 and 25-Oct-20. We hereby confirm that he/she has successfully completed the mentioned internship as part of GOAL STREET INTERNSHIPS.

During his/her Internship, he/she had worked under well-rounded mentors from the Industry for training in the particular discipline. Additionally, "Mudigonda Teja Sri" has also played a crucial role in working on a live "Capstone" project alongside fellow teammates to exhibit exemplary coordination and skill, and at the same time, was able to apply valuable knowledge and experience in facilitating the completion of the Project. The project, namely, "Market Analysis of Superstore with Time series" stands testimony to the skills and knowledge obtained as part of their journey here at GOALSTREET.

Internships have been a great opportunity for any student to learn experience and evolve as a better professional in this ever-changing engineering stream. We, on behalf of ThinAir Incubation & Acceleration Solutions and GoalStreet Team, congratulate and wish you a bright career.

SUMMER INTERNSHIPS
Internship Completion Certificate

Date: 15/8/2020

To whomsoever it may concern,

We are glad to inform you that "**Gunisetty divija**" has been pursuing a **6 weeks** Remote internship on "**Python Programming**" starting from **6/10/2020**. We hereby confirm that **he/she** has successfully completed the mentioned internship as part of **GOAL STREET INTERNSHIPS**.

During **his/her** Internship, **he/she** had worked under well-rounded mentors from the Industry for training in the particular discipline. Additionally, "**Gunisetty divija**" has also played a crucial role in working on a live "Capstone" project alongside fellow teammates to exhibit exemplary coordination and skill, and at the same time, was able to apply valuable knowledge and experience in facilitating the completion of the Project. The project, namely, "**Market analysis of superstore with time series**" stands testimony to the skills and knowledge obtained as part of their journey here at **GOALSTREET**.

Internships have been a great opportunity for any student to learn experience and evolve as a better professional in this ever-changing engineering stream. We, on behalf of ThinAir Incubation & Acceleration Solutions and GoalStreet Team, congratulate and wish you a bright career.

Dear Dr. T. L. Narayana,

Greetings from St. Peter's Engineering College, I am Dr. P. Lakshmi Devi, Professor & HoD, Department of ECE. As per our curriculum, in signals and systems subject some gaps are identified and also we feel that the students having Signals and Systems subject need some topics which are not included in the syllabus to understand the concepts clearly. As of your expertise in this field, we extend our invitation to conduct a guest lecture on the topics of sampling rate conversion for multi rate signal processing and DTFT technique to aware the students about discrete frequency spectrums. With your experience and exposure on this field, make our students to get more knowledge on these concepts.

Thanking you,

Sincerely,
