Student Representatives of Eco-Club

Perpetual exploitation of natural wealth has shown some alarming results in recent times. Therefore, attempts are being made across the globe by various local and global organizations to sensitize the community about the value of natural resources and the need to safeguard them. With a similar objective in mind, Eco-Club has been created to contribute towards a cleaner and greener environment. The Eco-club conducts various programs and activities to spread environmental awareness and works towards nurturing a responsible attitude among student community towards their immediate environment.
