

## 1. 5.1.3 Capacity building and skills enhancement initiatives taken by the institution include the following

2. 1. Soft skills,
3. 2. Language and communication skills,
4. 3. Life skills (Yoga, physical fitness, health and hygiene),
5. 4. ICT/computing skills

### 1. SOFTSKILLS:

Soft skills are an outcome of various influences and interactions one has had in his or her life. These skills leave a lasting impression on one's life-both positive and negative. Hence, to sharpen these skills, which lead to more employability opportunities, the institution imparts soft skills training to the students. To bring awareness about the importance of Softskills development. The in-house trainer of Training and Placement imparts a semester long Soft skills training to the students of **III & IV B. Tech** to enhance interpersonal skills to communicate, work and perform well in their jobs. To enhance better employability opportunities for the Management students, a **Certificate course on Soft Skills** was conducted to **II MBA** students. **Ms. Dyva Krupa Nemmedi** from S&H department conducted the training classes. The course proved to be beneficial for the students to perform better in their interviews.

## LANGUAGE AND COMMUNICATION SKILLS:

The Department of English as well as the in-house trainers of Training and Placement Cell takes extreme care in facilitating the students to excel in Language and communication Skills. Every year, the trainers of Training and Placement Cell impart a yearlong training programme called 'English for Employability' to III&IV B. Tech students beyond their Curriculum. Mrs. N. Dyva Krupa and Mrs. P. Prescilla of English Department imparted communication skills to IV B. Tech students. As a part of this training, they have enabled the students to understand the significance of communication skills in cracking the Job. They have dealt with interview skills, Non-verbal communication and verbal ability.

### 3. LIFE SKILLS (YOGA, PHYSICAL FITNESS, HEALTH AND HYGIENE):

#### A. Yoga:

Yoga imparts life skills to students. Students improve flexibility, balance, endurance and physical strength by practicing yoga every day. Meditation helps the students to keep the mind sharp and clear. It relieves stress and improves overall well-being. ALIET organizes Yoga and Meditation classes for the fresh and young B. Tech graduates to develop confidence for the better performance in their academics. A three-week programme on Yoga and Meditation was organized to I. B. Tech Students in the academic year 2021-22 respectively. Ms. T. Sirisha, a skilled Yoga trainer, motivated the students to practice yoga and meditation to attain physical and psychological wellbeing. On the whole, 706 students got benefited by this training
