From HODs Desk:

The Department of computer science and engineering of Andhra Loyola Institute of Technology is known for its high-quality teaching, certifications, and placements. Department provides high-quality education along with training programs for students on emerging technologies in the various fields of the IT industry. Our students were placed in TCS, Infosys, Tech-Mahindra, Value-Labs, HCL, CTS, Syntel, etc.

The Department offers B.Tech Computer Science and Engineering with an intake of 120 and is affiliated to JNTUK. All classrooms were well equipped with all ICT tools, labs with high-end systems with full safety measures. With highly qualified teaching faculty in the Department, ensuring value-based quality education.

Department committed to providing not only the technical education to our students but also the leadership qualities through which they can create employment for others. Department focuses on the holistic development of the students by a combination of both curricular and extracurricular activities.

Dr. A.Srinivasa Rao
Head of the Department
