Meet New meeting Join a meeting	+ Greetings from KodNest Technologies Private Limited!! It gives us immense pleasure to extend you and your team a most cordial invitation to participate in the Placement Drive conducted by KodNest in association with cloudThing India Pvt Ltd for the 2021 passing out batch.	
Hangouts Arshasultana - + Sangeetha Kodali Senta message Madhava Madhava	A brief introduction: cloudThing, headquartered in Birmingham, is a high-end consultancy and product development house working with leading companies around the world to solve business problems and develop new channels. We mix clever software development and cloudy infrastructure delivery to build responsive, scalable, next generation and then some solutions. cloudThing has been making a mark in the industry for the past 6+ years. cloudThing always selects the best technology fit for a project and therefore expects and encourages all our developers and designers to embrace the latest technologies, frameworks and cloud deployment platforms. We relish the difficult problems and integration challenges and guarantee our developers are never bored.	
	cloudThing was founded by senior management of blue chip FTSE 100 companies who wanted to do interesting projects for interesting
